

BOARD SPRINT PROGRAMME

Align board contributions with business priorities to improve collaboration and achieve better performance.

"Horizon37 expertly facilitated a highly interactive Board workshop in which we critically challenged our objectives and vision. In 3 hours we generated fresh ideas and reprioritised our key goals."

Simon Thorpe - Chair, Cambridge Angels

Expect to achieve:

- A deeper understanding of the diverse needs, perspectives, and contributions within the board.
- A shared vision and direction on strategy and key priorities.
- Aligned approach to more effective decision-making.
- An actionable roadmap to enhance board-executive effectiveness.
- Ownership and accountability for strengths-based roles and responsibilities.

We facilitate a highly productive Board Valuable Day with you, unlocking the next level of clarity and structure in your business to drive meaningful results.

We will collaborate to define and prioritise your key focus areas for the day, such as:

- Clarity on direction and vision
- Decision-making and alignment on key strategic questions
- Risks assessment
- Board composition - aligning strengths and contribution areas
